

BRENDA A. WENDT

Professional Qualifications

Present Position

Brenda Wendt is presently a senior consultant in real estate valuation where she is responsible for performing appraisals of real estate, both commercial and residential.

General Experience

Brenda has been actively engaged in the appraisal profession since 1990. She has performed real estate valuations on a variety of property types including single and multi-family residential, industrial subdivision, professional office, medical office, community and neighborhood retail centers, industrial and R&D projects, hotels, motels, bank branches, mobile home parks, restaurants, storage warehouses, development land and various other specialty property types locally as well as nationwide. In addition, she has participated in major portfolio analyses, court preparation and litigation appraisal.

Today Brenda finds herself performing many estate planning and divorce appraisals in the general southern California area.

Specific assignments include a retail/office center in Beverly Hills, CA; a 386-room hotel in Torrance, CA; a 660-acre master-planned industrial subdivision in Poway, CA; 3,137 acres of residential development land in Riverside County, CA; a mixed-use development consisting of 180,000± square feet in Las Vegas, NV; a 450,000± warehouse/distribution center in La Habra, CA and a street in Honolulu, Hawaii.

Other real estate experience includes real property tax appeal, loan underwriting, and consulting in various capacities.

Education

Ms. Wendt earned her Bachelor of Arts degree from Ambassador University, Pasadena. She has successfully completed the following Appraisal Institute courses during her career:
